۲	This is a private computer		
	Warning: By selecting this option, you confirm that this computer complies with your organization's security policy.		
	Sign in		

Then click on either icon for Alarm Monitoring or System Administration. A window will appear with a message 'Waiting for Remote App Programs to st...Please review any messages that appear', you may click on 'Show Details' if it is highlighted. Read the 'Computer and Network Policy Notice', click 'OK'. The application you selected will then launch.

Chrome

Click on either icon for Alarm Monitoring or System Administration, a file will be downloaded and appear in a list at the bottom of the screen. Open the dropdown menu on the downloaded file and select 'Always open files of time type'
