

Cardinalprint

SECURE · SUSTAINABLE · VERSATILE

BENEFITS TO YOU

Print Anywhere

Convenience—Pick up your print at any Canon multifunction device (MFD) across Redwood City as well as the main campus touchdown space at Bambi modular, 320 Panama Mall. Also, print from any mobile device.

Increased Security

Authenticate with your badge at an MFD before printing—Ensure your print job shows up when and where you're ready to get it.

Cost Savings

Reduction in our print costs—Our collaboration with Canon is expected to significantly decrease our print costs.

Increased Efficiency

Improved print speed and quality—Be more productive with upgraded MFDs.

Environmental Savings

Reduction in our toner, energy and paper use—All devices are ENERGY STAR® certified and rated EPEAT® Gold.

HOW TO GET HELP

TRAINING

Check out the **Quick Reference Guides** by all the new devices for instructions on how to print, copy, and scan.

Go to the **Cardinal Print website** (cardinalprint.stanford.edu) for additional training materials (e.g., User's Guide to all devices).

Get help from **anyone wearing a red Canon T-shirt** during move-in day. Canon personnel will provide in-the-moment support and answer all your questions.

PRINT DRIVERS

The print driver for the Cardinal Print service is named **CardinalPrint-SRWC**. This driver should be in your computer's list of printers by your move-in day. If you do not find it, contact your local desktop support group. The print drivers are also available for download on the Cardinal Print website (cardinalprint.stanford.edu).

QUESTIONS

For help with Canon multifunction devices, contact the UIT Service Desk at **5-HELP** or **(650) 725-4357**, or submit an online ticket to **services.stanford.edu**. For questions about our Cardinal Print Program, email the Cardinal Print Team at **cardinalprint@lists.stanford.edu**.
