Canon will have trainers available as follows:

1. **Thursday, November 21:**
   - **Once the device is installed,** a trainer will be available by the device to answer questions and provide a general orientation to the features and benefits of the devices and program overall.

2. **Friday, November 22:**
   - A Canon trainer will be by the device to answer questions from **8:30-9:30 a.m.**
   - Conference room training will be held from **10-11 a.m. and 11 a.m. to 12 noon.** in Room 255 (Neurosciences building). The trainer will provide a broader overview of the program. Each session will also include time for Q&A.

3. **Monday, November 25:**
   - A Canon trainer will be available by the device to answer questions from **1-3 p.m.**

Additional training opportunities will be announced in the future. Also, check out:
