12 IT SAFETY TIPS
for the holidays

01. Check it twice
Don't sign or pay until you investigate deals; be especially cautious if rushed.

02. Verify all senders
Look up and verify the details of any person or "company" offering a deal.

03. Pay it safe
Avoid paying with wire transfers, gift cards, or cryptocurrency.

04. Wi-Fi no-nos
Be cautious of public Wi-Fi networks, workstations, and charging stations.

05. Avoid the click
Don't click on links from unverified sources.

06. Double the factors
Use two-factor authentication on as many services as able.

07. No surprises
Be wary of unexpected emails or phone calls.

08. Stay up-to-date
Keep your devices up-to-date, encrypted, and backed up.

09. Hide the cables
Put away charging cables in your vehicle when shopping.

10. Keep control of devices
Leave your laptop at home or keep it with you at all times.

11. Lock it up tight
Ensure your vehicle is locked when you are out and about shopping.

12. Have a wonderful, safe holiday!
